

## Kimberly to Maria Written by Trevor Yates 2.29

[Verse]

Kimberly fair hair wild eyes  
First love tasted sweet lies  
Hand in hand laughter on high  
Broken dreams under moon sky

[Chorus]

Maria you shattered chains  
I found truth in your veins  
Heart reborn in your flames  
No more lies no more games

[Verse 2]

Kimberly whispers in the wind  
Promises that quickly thinned  
Lost in the echoes of sin  
Searching where to begin

[Chorus]

Maria you shattered chains  
I found truth in your veins  
Heart reborn in your flames  
No more lies no more games

[Verse 3]

Kimberly whispers in the wind  
Promises that quickly thinned  
Lost in the echoes of sin  
Searching where to begin

[Chorus]

Maria you shattered chains  
I found truth in your veins  
Heart reborn in your flames  
No more lies no more games

[Bridge]

Kimberly's shadow a ghost

Maria's light I love most

Memories just a cruel host

To the love they now boast

[Verse 4]

Kimberly's touch a fleeting breeze

Maria's embrace sets me at ease

From broken to whole in degrees

Found home in love's tease
